It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. One copy of the text of the Certificate in the suggested form is enclosed.

Applicant does not believe a fee is required. However, if it is determined otherwise and pursuant to 37 C.F.R. 1.20(a), the examiner is authorized to charge the Certificate of Correction fee of \$100.00 to the Deposit Account No. 503718.

Issuance of the Certificate of Correction would correct a typographical error but neither expand nor contract the scope of the claims as properly allowed. Re-examination is not required.
